Self walks on the banks of The Crocodile River:

Don't forget a good pair of walking or jogging shoes! Enjoy a walk or a jog in the bush and along the Crocodile River with every chance of spotting the Big Five, crocodiles, hippopotamus and many other game species. Marloth Park enjoys a 15 kilometer common border with the mighty Crocodile River and the Kruger Park. Explore and learn about the different indigenous trees, grasses and wild flowers growing in Marloth Park's 4300 hectares. Sit with your binoculars at one of the hides or view points and see what strolls by.

Bird Watching

Birdlife reference books are available at the Lodge for the use of our guests. Sightings of over 300 bird species have been recorded in Marloth Park. Get up real close with your camera and take amazing shots of the many, wonderful species that are endemic to this region. Learn the various bird calls and see how many species you can identify.

Mountain Biking

We have modern mountain bikes with various trials from beginner to experienced. Take a 1 hour light work out or a 2 hour trial "Safari" ride along the crocodile river. Early morning or late afternoon is best due to the heat.
